

## **General Instructions for Completing Budget Forms DSHS Costs Only Budgeted on Detail Category Pages**

*(Examples and instructions for completing the Budget Category Detail Templates are in a separate Excel file located under Templates for Cost Reimbursement Budgets located at :  
<http://www.dshs.state.tx.us/grants/forms.shtm>*

- \* Enter the legal name of your organization in the space provided for "Legal Name of Respondent" on Form I -Budget Summary; doing so will populate the budget category detail templates with your organizations name.
- \* Complete each budget category detail template. Instructions for completing each budget category detail template are in a separate document. If a primary budget category detail template does not accommodate all items in your budget, use the respective supplemental budget template at the end of this workbook. The total of each supplemental category detail budget template will automatically populate to the last line of the respective primary budget category template.
- \* After you have completed each budget category detail form, go to Form I-Budget Summary and input other sources of funding manually (if any) in Columns 3 - 6 for each budget category.
- \* Refer to the table below the budget template table to verify that the amounts distributed ("Distribution Total") in each budget category equals the "Budget Total" for each respective category. Next, verify that the overall total of all distributions ("Distribution Totals") equals the Budget Total.
- \* Enter the total amount of "Program Income" anticipated for this program in row "K" under the "Total Budget" column (1). The total program income budgeted will be automatically allocated to each funding source based on the percentage of funding of the total budget. Information on program income is available in the DSHS Contractors Financial Procedures Manual located at the following web site:  
<http://www.dshs.state.tx.us/contracts/>

Organizations that do not use an indirect cost rate and governmental entities with only a central service rate must identify the types of costs that will be allocated as indirect costs and the methodology used to allocate these costs in the space provided below. The costs/methodology must also be disclosed in Part V-Indirect Cost Allocation of the Cost Allocation Plan that is submitted to DSHS. **Identify the types of costs that are being allocated as indirect costs, the allocation methodology, and the allocation base:**

## SUPPLEMENTAL FORMS INSTRUCTIONS

The budget templates (two per budget category) that follow are intended to supplement cost reimbursement budgets when there are too many items to fit on the primary budget template. Applicants that have utilized all the lines on the primary budget template must use the supplemental templates to list detail information for the respective budget category. For example, after all the lines on the primary budget template for Personnel (tab labeled Form I - 1 Personnel) have been used, go to the supplemental template labeled "Form I - 1a Personnel Supp" and if all the lines are used on this template, go to the next template labeled "Form I - 1b Personnel". The amounts on each supplemental template will automatically total and the total from both templates will automatically be inserted on the last line of the primary budget template.

The supplemental budget templates are:

- Form I-1 Personnel Supplemental
- Form I-2 Travel Supplemental
- Form I-3 Equipment Supplemental
- Form I-4 Supplies Supplemental
- Form I-5 Contractual Supplemental
- Form I-6 Other Supplemental
