Date: December 30, 2022
Re: New Mileage Rate as of January 1, 2023

This is to notify you of the mileage rate effective January 1, 2023. The rate has increased from 62.5 cents per mile to 65.5 cents per mile. As per the Travel Policy the mileage rate is the optional standard mileage rate set by the IRS to calculate the costs of operating a vehicle for business purposes, including travel or business purposes.
