Re: Grant Application

MEMORANDUM

The Collin County Juvenile Probation Department seeks to apply for a grant through the Office of the Governor, Criminal Justice Division. The grant request is for \$123,247.00 and will be used to support operations for the department's innovative program for juvenile victims of human trafficking. The CTD Program (CSE-IT, TREAT IT, DIVERT IT) is designed for identification of victims and youth who are at risk of being trafficked, to then provide them and their families with intensive case-management and community-based services for trauma associated with victimization, and to ultimately divert these victims away from the traditional criminal justice system altogether. There is no county match required for this application or award.

Respectfully,

H. Lynn Hadnot, Director
Collin County Juvenile Services
