Re: Amendment - Lucas ILA Contract for Law Enforcement Services

In Commissioners Court Order 2021-898-09-20, the County agreed to provide dedicated patrol services with two deputy sheriffs and vehicles for the City of Lucas – in exchange for reimbursement under Section 791.011(e), Gov't Code.

- Recently the City of Lucas asked the County to add two more deputies to patrol within its borders. Thus, the Sheriff's Office prepared the attached amendment, which includes the liquidated damages provision the Court approved in the similar Blue Meadows ILA. The Sheriff's Office presents the Draft Amendment for your review.
- If the Court approves the amendment, the Sheriff's Office respectfully requests to add two additional deputy sheriff (556) positions, along with equipment, to the FY 23 budget.
