Date: January 18, 2023

Subject: Requesting Consent to Move Forward with the District Clerk's Historical Records Restoration and Preservation Project using KoFile Technologies.

To: Commissioner's Court

From: Mike Gould
District Clerk

The District Clerk is requesting the court's approval to move forward with the District Clerk's Historical Records Restoration and Preservation Project. The new phase of the project will be Phase H. With the courts approval, the District Clerk's office will continue to utilize the services of Kofile Technologies. Kofile Technologies provides the specifications the District Clerk's office is requesting, which includes the disaster safe binding, color imaging and the lay flat archival polyester pockets. FY'22 funds of the District Clerk's Preservation of Records accounts were carried forward to FY'23 to complete the Preservation of Criminal and Civil case files.
