Re: County Road 600 – Price Fence Reimbursement

Public Works has received a written request from Chad Price on CR 600 to be compensated for the value of their existing fence.

In spring 2023, CR 600 is scheduled to be upgraded from rock to asphalt. Typically, Public Works asks landowners on the affected road to donate a sliver of land adjacent to the road which allows us to widen it as well as pave it. This often requires us to move their fence back a predetermined distance at our expense.

Mr. Price owns a parcel of land on CR600 for which 30 feet of ROW was donated to allow for proper drainage and road width. Therefore, he has requested that Collin County reimburse him for the value of replacing his fence in lieu of Public Works constructing a new fence further back from the road. The reimbursement amount is \$8,950.00. (see attached).

Funds have been budgeted to accommodate this request and Public Works requests Commissioners' Court consideration and approval to reimburse Mr. Chad Price for the replacement of his fence.

Should you require additional information, contact me and I will respond accordingly.
