The Honorable Judge Chris Hill
 Collin County Judge
 Collin County Administration Building
 2300 Bloomdale Road, Suite 4192
 McKinney, Texas 75071

RE: Fiscal Year 2023 Local Government Assistance Program

Dear Judge Hill,

The rules for this program (43TAC § 29.3) were established based on Transportation Code §201.706, Local Government Assistance in 1997. The rule requires the Department to give materials to the counties to assist in repairing and maintaining county roads damaged by the impact of the 2060 Weight Tolerance Permits. This legislation requires that at least \$6,000,000 worth of materials be given each year to counties in the state. The allocation to all of the state's 254 counties should be primarily satisfied with surplus materials.

The Department of Transportation, pursuant to the General Appropriations Act may use funds appropriated by this Act to assist cities with the maintenance of city streets by providing engineering/maintenance expertise on roadway maintenance and when surplus materials are available, the department shall make available the surplus materials to any local government needing such materials.

The fiscal year 2023 allocation for Collin County is \$33,245.00.

The following is a listing of surplus material, the material stockpile location, the estimated date of availability, quantity and unit price:

Surplus Material	Stockpile Location	Estimated Date of Availability	Quantity	Unit Price
RAP	McKinney Yard / US 380 Lake bridges	January 24, 2023	1663 CY	\$20.00

If Collin County is interested in acquiring any of the above listed surplus materials, please submit in writing to Collin County TXDOT at 2205 South SH 5, McKinney, TX 75069, within 45 days of this letter your request for surplus materials. Your response should include specific quantities, types and dollar values of surplus materials being requested based on the information provided above. Upon receipt of your written request we will make arrangements for Collin County to take possession of the material. If we have not received your response within 45 days, the amount set aside for your county will be made available to other counties within the Dallas District.

Please be aware that TxDOT will not make any determination as to how this material is to be distributed to the various county precincts. This shall be the sole responsibility of the county.

OUR VALUES: People • Accountability • Trust • Honesty

OUR MISSION: Through collaboration and leadership, we deliver a safe, reliable, and integrated transportation system that enables the movement of people and goods.
