Re: Odyssey Credit Card Machines

The Collin County Information Technology Department requests approval to purchase twenty seven (27) Ingenico Lane 3000 credit card processing machines from Tyler Technologies for Odyssey credit card processing.

The total cost for the devices is \$9,855 and a budget amendment for the same amount will be needed. Request to move \$9,855 from TI03JUS-4401-060090011-809901 to TI03JUS-4401-060900011-798902.
