Re: Information-Reconstruction of County Road 202

The developer of Shaded Tree Subdivision will be reconstructing approximately 1,400 ft. of County Road 202 as a 24 ft. concrete section, transitioning back to asphalt at the project limit as shown on Exhibit A. The project is scheduled to begin in the next 3-6 weeks after a contractor is chosen. During construction, the road will be closed to through traffic but local traffic will have access. Once completed, the concrete section will be covered by a one year maintenance warranty. The County will then resume maintenance responsibilities after the warranty period expires.
