Subject: Brinkley Sargent Wiginton Architects Proposal

Brinkley Sargent Wiginton Architects has provided a proposal to estimate the cost of an addition to the Juvenile Detention Center. This addition will contain one cluster, which will house 48 inmates. Wiginton Hooker Jeffery Architects, which has since merged into Brinkley Sargent Wiginton, created the original drawings for this project in 2009. Due to this knowledge of the original drawings, I believe that Brinkley Sargent Wiginton is the most qualified company to provide an updated estimate for this project. This estimate will be provided to the Planning Board for possible inclusion in a future Bond Election. \$11,500.00

Thank you for your consideration,
