RE: North Texas Groundwater Conservation District Board Representation

Dear Judge Hill and Members of the Collin County Commissioners Court,

The legislation creating the North Texas Groundwater Conservation District in 2009 contains a provision for three representatives to be appointed by the Collin County Commissioners Court. Since the initial terms for directors were staggered, two of these will expire on June 1, 2023. The new terms will be for the period ending June 1, 2027.

Currently, the at-large position appointed by the Commissioners Court is being filled by Mr. Joseph Helmberger, PE. Mr. Helmberger has been an active member of the Board.

The other position appointed by the Commissioners Court is the largest water user, which is the City of Anna. The City of Anna nominated Mr. Greg Peters, P.E., City of Anna – Director of Public Works. Mr. Peters has been an active member of the Board.

The purpose of this letter is to request that this item be placed on the next Commissioners Court agenda to make appointments for these two positions for the period beginning June 1, 2023, and ending June 1, 2027.

Respectfully submitted,

Paul M. Sigle
General Manager
North Texas Groundwater Conservation District
