Re: FY 2023 BULLET-RESISTANT SHIELD GRANT

The Collin County Sheriff's Office respectfully requests approval to purchase 14 bullet-resistant shields. These shields will be purchased with the funds awarded to the Sheriff's Office from the Bullet-Resistant Shield Grant. The grant amount is \$100,625.28, with no county match required. The grant period is from September 1, 2022, through August 31, 2023.

The Aspis Z Level III ballistic shield is rifle rated. Unlike the Phalanx Level IIIa ballistic shield that is on contract, which is only pistol rated. The Aspis Z Level III shields are tested and proven to be effective in protecting and even saving the lives of law enforcement officers.
