Brief Description
The Collin County Sheriff's Office recognizes that its employees are subjected to the harmful effects of stress associated with critical incidents. To minimize the adverse effects of critical incident stress, the Collin County Sheriff Office established a Peer Support Program (PSP) comprised of a Peer Support Group (PSG). The PSG will consist of twenty-four employees (sworn, non-sworn, and civilian) and clinicians trained to provide PSG peer support to department employees and family members after a traumatic incident. The PSP is meant to be used in concert with the current Collin County Employee Assistance Program, not to replace it.
