Re: Indemnification request by Sheriff's Office of \$61.02

---

The Sheriff's Office has requested indemnification of \$61.02. See attachment for details. After researching the matter I found no evidence of negligence or criminal action on the part of the elected official as required by the Indemnification Policy before indemnification may be granted. The detention officer whose actions were responsible for this incident is no longer employed with Collin County. Therefore, I recommend that the Commissioners Court approve the \$61.02 indemnification request.
