

MEMO

Date: May 8, 2023
To: Commissioners Court
From: Tracy Homfeld, PE, CFM; Assistant Director of Engineering
Subject: Final Plat and Street Sign Plan for Cobble Creek

Cope Equities LLC, owner and developer of Cobble Creek, requests Commissioners Court consideration of the attached Final Plat and street sign plan for Cobble Creek.

Cobble Creek will consist of 69 residential lots. The lots will range from 1.0 to 5.9 acres. On-site sewage facilities systems are suitable for this subdivision. Water will be supplied to the subdivision by Caddo Basin SUD. The 100-year flood plain is present on the property. A flood study has been submitted, reviewed and approved by Collin County. The lots do not front on an existing county road; therefore, road construction is required.

The plat generally meets the County's SUBDIVISION RULES as outlined in Section 1.05 of the Collin County Subdivision Regulations and authorized under Local Government Code (LGC) 232; however, the developer will be required to make the necessary technical edits. Those items will be outlined in a detailed punch list to the developer within 10 days following Court's conditional approval and will cite the reference in the County's Subdivision Regulations and LGC.

In addition, the owner has submitted a street sign plan for the development. The plan was prepared by a Texas licensed professional engineer according to the Manual on Uniform Traffic Control Devices (MUTCD). The Engineering department has reviewed and concurs with the submitted street sign plan.

ACTION

We request Commissioners Court consideration for:

- 1) The approval of the Final Plat of Cobble Creek, with the condition that the developer make the necessary technical edits, based on LGC 232.001 and 232.003, and***
- 2) Approval of the street sign plan for Cobble Creek.***
