Dallas, Texas 75254

Dear Charles:

According to a May 11, 2023 letter, the Texas Commission on Jail Standards approved Collin County's request for the deletion of sprinkler heads in the inmate housing and holding cells of the planned Collin County Admissions/Release Addition.¹ Thus, the Commissioners Court directs you to omit sprinkler heads in the relevant cells according to the Commission's decision.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Hill", with a large, sweeping flourish extending to the left.

Chris Hill
