About this item

- MULTIFUNCTION:**shears come with 6 essential tools, including folding emergency shears, ring knife, ruler, band cutter, carbide glass breaker and oxygen bottle wrench, trauma shears with scale for easy measurement, saving you time to measure things
- HIGH QUALITY MATERIALS:**The trauma shears are made of stainless steel material with a strong and durable construction that will not rust or fade easily for long term use.
- EASY TO USE:**First aid shears can open bottles, emergency break glass escape, EMS trimmer can quickly handle thin metal pieces, of course, can also be used as daily scissors to trim things
- APPLICATION:**This trauma shears comes with a holster, small size, light weight, easy to carry. When you go out, you can use the lanyard to hang the folding scissors on your hand, or you can put the scissors in the holster, hang it on your belt, or put it in your bag or pocket, very lightweight and convenient for you to use in emergency situations.
- Onvenient and Portable:** The compact size and included holster make these shears easy to carry in your vehicle or on your person, ensuring you're always prepared for an emergency situation.

Product Description

Shears feature the necessary tools for uniformed medical professionals to safely and quickly go to work in an emergency situation. Developed with the input of special operations medics, EMTs and fire professionals familiar with standard emergency response shears, the Raptor Rescue was crafted with just the right balance of multipurpose features for medical-specific ops without an overkill of tools to complicate sometimes life-threatening situations.
