Re: Expenditure of funds for Farm Museum

The Collin County Farm Museum is working on two key restoration projects that will be added to the Tractor Exhibits. Increased shipping costs, increased cost of specialized parts, unexpected replacement of blown-out tires, and increased project productivity, additional funds are needed to complete these two projects.

Myers Park staff and The Farm Museum request funds for expenditures totaling \$3,750 for the two current projects.

Myers Park staff also requests that these expenditures are funded from the Farm Museum Memorial Fund balance of Fund (023). This account has an approximate fund balance of \$13,000. Myers Park requests that \$3,750 be approved for these expenditures.

If funding is approved staff requests that the budget amendment is processed.

We will be available to answer any questions you might have regarding this matter.
