Re: County Road 168 Intersection Modification

As part of the Aster Park Subdivision construction a new, yet unnamed thoroughfare will be built that connects to County Road 168, as shown on the attached Exhibit A. The intersection at CR 168 will be configured as shown on the attached Exhibit B, and will be a three way stop. County Road 168 will be closed to through traffic for the duration of the intersection construction, local traffic will be allowed. The work is planned to begin in mid-October and take approximately 45 days to complete.

Public Works is presenting this as an information item; no Court action is required. If you have any questions or concerns, feel free to contact me and I will respond accordingly.
