MEMO

Date: August 7, 2023
To: County Judge and Commissioners
From: Clarence Daugherty, P.E., Director of Engineering
Subject: Presentation, Discussion and Action on Proposed Bond Election

The Commissioners Court on February 20, 2023, voted to assign the Planning Board with the task of developing a proposed bond program to be voted on in an election on November 7, 2023. The purpose of the bond program is to provide improvements to County building facilities, parks and roads. Since that time the Planning Board has met multiple times to develop a recommendation to the Court.

The Chairman of the Planning Board will make a presentation to the Commissioners Court to explain the various recommendations. Other members of the Planning Board will also be present and they as well as the staff will be available to answer any questions the members of the Court may have.

The agenda item will allow for this presentation, discussion by the members of the Court and the action of officially calling the election if that is the desire of the Court. Attached is the presentation for the review of the Court ahead of the meeting.
