Re: TAC Insurance – February 2021 Storm Damage

Between February 11, 2021 to February 19, 2021, a severe winter storm affected the area, resulting in damage to multiple county properties. To date, the county has submitted \$957,483.74 worth of repairs towards the claim with TAC, the county's property insurance carrier. TAC has issued a payment in the amount of \$122,241.87 to cover the cost of repairs. This is in addition to the previous \$785,241.87 the county has received from TAC for this claim.

The funds that that were received in the amount of \$122,241.87 were deposited into the county's insurance recovery account on May 18, 2023. I respectfully request a budget amendment to move the entirety of the \$122,241.87 funds from this account, 5501-03020-0018-88-00-0000-471004, to the county's property expenditure account, 5501-03020-0018-41-30-0000-615907, to cover the repair costs associated with the claim resulting from the February 2021 winter storm.

If you have any questions please let me know. Thank you.
