Re: TAC Insurance – March 2023 Wind Damage

On March 02, 2023, a severe wind storm affected the area, resulting in damage to multiple county properties. To date, the county has submitted \$156,793.18 worth of repairs towards the claim with TAC, the county's property insurance carrier. TAC has issued payment in the amount of \$46,919.98 to cover the cost of repairs.

The funds that that were received in the amount of \$46,919.98 were deposited into the county's insurance recovery account on August 21, 2023. I respectfully request a budget amendment to move the entirety of the \$46,919.98 funds from this account, 5501-03020-0018-88-00-0000-471004, to the county's property expenditure account, 5501-03020-0018-41-30-0000-615907, to cover the repair costs associated with the claim resulting from the March 2023 wind storm.

If you have any questions please let me know. Thank you.
