|----------------------------|--|
| SUMMARY | <p>LifePath Systems will provide specialized mental health coverage 24 hours a day, 7 days a week on-site at the Collin County Detention Facility. One workforce member will be located on site around the clock (see coverage schedule below). Coverage is to be provided by a Qualified Mental Health Professional (QMHP) who is a member of the LifePath Mobile Crisis Outreach Team (MCOT). All QMHPs involved in the project will have a minimum of a bachelor's degree in psychology or related field and at least 3 years working in community mental health with individuals diagnosed with serious mental illnesses.</p> <p>QMHPs will work on-site in coordination with Detention Facility staff and healthcare contractors. On duty QMHP will have the following responsibilities at book-in:</p> <ol style="list-style-type: none"> 1) Identify current or previous LifePath clients, 2) Complete a MH evaluation for those who screen positive &/or who are current or previous LifePath clients, and 3) Determine level of watch. <p>QMHP will be responsible for coordinating community-based mental health (MH), intellectual or developmental disabilities (IDD), and substance use disorder (SUD) services upon release of individuals identified with MH, IDD, or SUD needs.</p> |
| DESIRED OUTCOME | To improve the identification of individuals with mental health, intellectual or developmental disabilities, or substance use disorders at book-in and initiate recommendations for most appropriate care. |
| BENEFITS OF PROJECT | <p>Expected benefits include:</p> <ul style="list-style-type: none"> • Faster identification of individuals currently or previously in LifePath Systems services; • Earlier identification of those who may screen positive initially, but are not currently experiencing significant mental health or substance use issues; • Initiation of appropriate discharge planning prior to release of inmate. |
