TO Commissioners' Court
FROM Jon Kleinheksel *JK*
RE Ford Fleet Network Credits

We received notification that Ford Motor Company is offering to Collin County Public Works (as a Ford Fleet) *Ford Fleet Network (FFN) Credits* based upon our 2023 Ford parts purchases. These credits may be used at our local Ford dealer or parts distributor and applied toward the purchase of parts or tools, or to pay for service work, etc. as detailed in the attached documentation from Ford.

Our FFN1H2023 current credit balance is \$3,824. Upon the Court's acceptance and approval, we will begin utilizing these credits. We have until the end of the calendar year 2023 to use these funds, at which time the offer expires.

Our understanding is that this FFN Credits program will be an ongoing program offered by Ford and credits will be awarded to us on a semi-annual basis, with the next due after the first of the year. We ask your approval to continue acceptance of any future FFN program credits as they become available to us.

Should you require additional information, contact me and I will respond accordingly.
