Re: Public Works Fees Adjustment

As a result of discussions recently with the Auditors and Treasury, Public Works found it necessary to modify our fee schedule on file with the Law Library. In particular, Public Works wishes to remove the ROW Use Fine entirely and amend the ROW Use Permit Fee to include the statutory authority. The amended schedule is attached for your review.

Public Works requests Commissioners Court's consideration and approval to adjust the fee schedule as described above. If you have any questions, please ask and I will respond accordingly.
