Re: Tyler Technologies EnerGov Transition from On-Premise to SaaS (Cloud)

The Collin County Information Technology Department requests approval of a contract amendment and associated budget amendment to move the EnerGov permitting and licensing software from on-premise to SaaS (Cloud). The total upfront cost for the initiative will be \$157,620, which includes \$122,620 for the prorated 4/1/2024 to 9/30/2024 first year SaaS fee and \$35,000 for the prorated Assist Complete services. Funds are available from TI03FIN-4405-060400011-809004 and TI03FIN-4405-060400011-809050.

Budget Amendment request is to move \$123,000 from TI03FIN-4405-060400011-809901 to TI03FIN-4405-060400011-809004.
