A resolution of the Collin County Commissioners Court authorizing Collin County's participation in a county health care provider participation program, collection of a mandatory payment, and use of funds from mandatory payments.

Whereas, the Texas Legislature enacted House Bill 4289, which added Chapter 300 to the Health and Safety Code and which went into effect June 10, 2019;

Whereas, pursuant to Section 300.0004 of the Health and Safety Code, the commissioner's court of a county may by order authorize the county to participate in a county health care provider participation program;

Whereas, the purpose of participation in a county health care provider participation program is to generate revenue from a mandatory payment that may be required by the county from an institutional health care provider to fund certain intergovernmental transfers;

Whereas, pursuant to new Section 300.0004 of the Health and Safety Code, the commissioner's court of a county that participates in a county health care provider participation program may, by an affirmative vote of the majority of the members of the commissioner's court authorize the county to collect a mandatory payment from each institutional health care provider located in the county; and

Whereas, pursuant to Section 300.0103, a county that participates in a county health care provider participation program may use the funds collected through mandatory payments only for specified purposes;

Now, therefore, be it resolved that the commissioners court of Collin County authorizes Collin County to:

1. Participate in a county health care provider participation program;
2. Collect a mandatory payment from each institutional health care provider located in the County;
and
3. Use the funds collected through mandatory payments for the purposes specified in Section 300.0103.

A motion was duly made, seconded, and carried by a majority of the court members in attendance during a regular session on Monday, December 4, 2023.
