Re: County Road 168 Abandonment

A developer plans to build a new subdivision called Aster Park on the west side of County Road 168 near the 90 degree turn. Concurrently, the developer intends to rebuild 1,357 ft. of the road inside the city limits of McKinney as 2 lane concrete road.

Although that section of the road is city maintained, the County retains a 60 foot wide easement (see exhibit B). The developer has requested Collin County to abandon that easement in order to formally relinquish any responsibility along that road segment. PW staff has reviewed the proposal and agrees with the request.

Public Works requests Commissioners Court's consideration and approval to abandon 1,357 ft. of CR168 easement as portrayed in the attached files. If you have any questions, please ask and I will respond accordingly.
