

MEMORANDUM

DATE: November 28, 2023
TO: Sheriff Jim Skinner
FROM: Captain Tully Yount
REF: Automated License Plate Reader (ALPR) Donation – Motorola Solutions

The Collin County Sheriff's Office has had an automated license plate reader (ALPR) program since 2017. The ALPR has been instrumental in recovering thousands of pounds of illicit narcotics, firearms, wanted fugitives, and missing children. Since the inception of the Collin County Sheriff's Office ALPR program, the agency has only used one manufacturer.

Motorola Solutions recently approached the Collin County Sheriff's Office and wished to donate ALPR equipment. This ALPR equipment is new technology and will benefit the officers and the citizens of Collin County. Motorola Solutions wishes to donate the following items to the Collin County Sheriff's Office:

1. 2 L6Q Solar Powered Fixed LPR
2. 2 Mobile LPR 2-Camera L5M High Definition System
3. L5F Fixed LPR Camera with Sun Shield
4. Vigilant LPR Basic Service Package for Hosted / Managed LPR Deployments
5. Vigilant Hosted / Managed Centralized LPR server via LEARN

This new ALPR technology will come at no cost to the Collin County Sheriff's Office. I respectfully request that the Collin County Sheriff's Office accept the donation from Motorola Solutions.
