RE: Acceptance of the No-Cost Extension for the CPS/PH Workforce Grant Award (Contract No. HHS00107400001) through the Texas Department of State Health Services (DSHS)

Attached is the approved one-year no cost extension to the CPS/PH Workforce Grant. The current contract term is from September 2, 2021 through June 30, 2023 and this will extend the term to end on June 30, 2024. This approved extension will allow Collin County Health Care Services to continue to establish, expand, train, and sustain the public health workforce through recruiting, hiring, and training existing/prospective personnel. This will ensure the continuation of vital initiatives such as COVID-19 prevention, preparedness, response, and recovery initiatives such as school-based health programs.

Local Health Department awards are “one-time” only and activities should not incur future reoccurring costs beyond June 30, 2024.

I respectfully request approval for this contract extension.
