**TO:** Health Care Board of Trustees

**FROM:** Candy Blair, Health Care Administrator

**DATE:** April 17, 2023

**RE:** Purchase Schedule for Greenway Professional Services

Attached for approval is a purchase schedule for Greenway professional services to upgrade Collin County's existing servers hosting Greenway, the vendor for the PrimeSuite electronic medical record system. This purchase schedule will allow Collin County IT to build and replace two application servers, production and test, and one database server. This effort will mitigate all risk associated with the servers' operating systems and the database software being out of support. Collin County IT, Collin County Health Care Services, and Greenway have met and determined that this effort can be successfully executed.

This purchase schedule is a one-time fee of \$9,100.00 that will be purchased using existing available funding in Health Care Services' FY23 budget.

I respectfully request that you approve this purchase schedule to mitigate risk to Collin County Health Care Services' Greenway PrimeSuite electronic medical record system.
