RE: Acceptance of Amendment No. 2 for the OHDPP/COVID-LHD (COVID-19 Health Disparities, Contract No. HHS001057600012) through the Texas Department of State Health Services (DSHS)

Attached is an amendment for the OHDPP/COVID-LHD (COVID-19 Health Disparities) grant. The current contract term and funding amount will not change. This amendment will not incur additional costs to the county. This amendment was requested by DSHS to revise the Statement of Work (SOW) to include language that prohibits the promotion and advertisements of COVID-19 vaccinations. This is due to the passage of Rider 40 during the 88th Texas Regular Legislative Session. Rider 40 goes into effect on September 1, 2023.

I respectfully request approval for this contract amendment.
