RE: Acceptance of Amendment No. 1 to the Vaccination Capacity Grant Contract (HHS001019500012) with the Texas Department of State Health Services (DSHS)

Attached is an amendment to the Vaccination Capacity Grant. There are no changes to the current contract term, funding amounts will not change, and will not incur additional costs to the county. This amendment revises the Statement of Work (SOW) to include language that prohibits the promotion and advertisements of COVID-19 vaccinations. This is due to the passage of Rider 40 during the 88th Texas Regular Legislative Session. Rider 40 goes into effect on September 1, 2023

I respectfully request approval for this contract amendment.
