RE: FYI Notification of Grant Source Funding Change for Existing Personnel

This is a FYI notification of completing the attached Grant Personnel Form for changing the source of grant funding for one existing personnel at Collin County Health Care Services. The grant funding is provided through the Department of State Health Services (DSHS).

The following Epidemiologist position (Position ID: 300472) included in the Grant Personnel Form has been funded by the IDCU-COVID Expansion (HHS000812700014) grant contract since 10/01/2022. This position will undergo a change of source funding from the IDCU-COVID Expansion grant over to the existing Vaccine Capacity Project 3 (HHS001019500012) grant to become effective on 12/11/2023. This position will be funded by the Vaccine Capacity Project 3 grant until this contract's end date on 06/30/2024. This change of source funding allows continuing the efficient utilization of existing COVID-19 grant funds to maximize staff employment time with Collin County and public health services provided.

There are no changes to the grants total budget or contract term dates.
