

AFFIDAVIT

STATE OF TEXAS §
 §
COUNTY OF COLLIN §

I have been informed by Weldon Copeland, Collin County Probate Court Judge, that he is requesting a supplement of my county-paid FY2024 salary in the base amount of \$29,362, plus FICA, retirement, and other benefits for a total of \$34,647. I understand that this salary supplement is in addition to my regular county salary, and will not be paid by Collin County, but instead from discretionary funds produced by probate and guardianship filing fees.

I understand that the salary supplement will be paid to me at the discretion of the Probate Court Judge, and may be withdrawn, reduced, adjusted, discontinued, and in other ways changed or modified in the sole and absolute discretion of the Probate Court Judge. I understand that the offer, payment, receipt, or acceptance of the salary supplement here described does not create any entitlement, claim, or any other right for me to or against any county funds not appropriated to my salary by the vote of the Commissioners Court of Collin County, or against any funds or money of the Probate Court Judge.

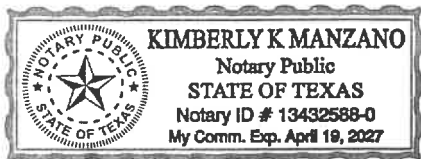

This salary supplement referred to in this affidavit will be paid on the same schedule as my regular salary beginning on February 5. This supplement will appear as a county salary increase only for accounting purposes and to facilitate the payment of the supplement here described while meeting all government rules, regulations, and statutes relating to the payment of salaries in general.

My signature indicates my agreement to and understanding of all of the foregoing. I understand that if I did not so understand and agree, I would not be paid the salary supplement described herein.
