1.01 The Recitals set forth above are hereby approved and incorporated into the body of this Agreement as if copied in their entirety.

ARTICLE TWO Purchase of Land

2.01 **Conveyance of the Bloomdale Property.** McKinney hereby agrees to sell, assign, and transfer all of its right, title, and interest in and to the Bloomdale Property, containing 6.076 acres of land (264,677 square feet), as described collectively in Exhibits A-2 and A-3, to support NTMWD’s capital improvement projects, including the installation of two water pipelines supporting the NTMWD Regional Water System. Additionally, McKinney and County shall convey to NTMWD a variable width (estimated to be 15 to 30 feet) temporary construction easement, depending on NTMWD’s needs, along the northern boundary of the Bloomdale Road Right-of-Way during the construction of Phase 1 of the Project. McKinney shall convey Parcel 22A and Parcel 22C of the Bloomdale Property, as described in the field notes contained within Exhibit A-2, to NTMWD by special warranty deed. McKinney shall convey whatever right, title, and interest it has in and to Parcel 22B and Parcel 22D of the Bloomdale Property, as described in the fields notes contained in Exhibit A-3, to NTMWD through a deed without warranty as these parcels were each dedicated to McKinney and/or the public by plat.

2.02 **Purchase Price.** The total consideration to be paid by NTMWD for the Bloomdale Property is \$1,000.00 total.

2.03 **Existing Pavement, Pavement, and Maintenance.** NTMWD will allow the Existing Pavement to remain for public use within, along, and through the Bloomdale Property until the County

completes construction of the Service Road and is open to the public, until which time McKinney will pay for and maintain the existing Road System. NTMWD will clear and maintain the grass median of the Bloomdale Property in compliance with the McKinney Code. NTMWD shall remove the existing asphalt pavement lane from the Existing Pavement to existing County Road 123 (approx. 500 feet east of Baneberry Lane). Once NTMWD paves from existing County Road 123 to Bloomdale Road, NTMWD shall not be responsible for any maintenance or expenses related to said pavement.

2.04 **Service Road.** Collin County, at its sole cost and expense, shall construct the Service Road to be in service for vehicular traffic previously used by the pavement of Bloomdale Road, prior to the demolition of the Existing Pavement, which must occur prior to the commencement of any work performed pursuant to Phase 2 of the Project.

2.05 **15-foot Right of Way.** McKinney will retain the southernmost 15-foot Right-of-Way of Bloomdale Road that is separate and apart from the Bloomdale Property for existing infrastructure including sidewalk, waterline, and franchise utilities.

2.06 **Utility Coordination.** Upon request by McKinney, NTMWD at its own expense shall relocate city facilities out of the Bloomdale Property prior to commencement of Phase 1.

2.07 **Closing.** The Parties agree to close the purchase and sale of the Bloomdale Property no later than 120 days after the Effective Date at a Title Company to be agreed to by the parties.

2.08 **Bloomdale Property Vegetation.** The Bloomdale Property shall be kept clear of vegetation other than grass. If McKinney requires mitigation, then McKinney and NTMWD must negotiate regarding same.

2.09 **Access Drives.** Access shall be provided to the north and south of Bloomdale Road at all existing access locations unless reductions are approved by each of the Parties.
