Re: Approval of Memorandum of Understanding (MOU) between Collin County Animal Services and LifePath Systems

Collin County Animal Services respectfully requests Commissioners Court approval of a Memorandum of Understanding (MOU) to establish a collaboration with LifePath Systems in providing apprenticeship opportunities for individuals to gain experience that will help them find paid and competitive employment within current job markets to increase their independence.

This MOU has been reviewed and approved by the Collin County Human Resources Department. It does not include any financial arrangements and will have no budgetary impact.

This MOU is effective on the date of signing and terminates on August 31, 2024.

Thank you for your consideration in this matter.
