Re: Acceptance of Grant Award – C.T.D Human Trafficking Program

MEMORANDUM

The Juvenile Probation Department seeks commissioner's court permission to apply for a grant through the Office of the Governor, Criminal Justice Division. The grant request is for \$138,887.00 and will be used to continue an innovative program for victims of human trafficking. The program is a beta, a first of its kind called the CTD Program (CSE-IT, TREAT IT, DIVERT IT) and is designed for early identification of victims and kids who are at high risk for trafficking, to then provide them and their families with intensive case-management and community-based services for trauma associated with victimization, and to ultimately divert these victims away from the traditional criminal justice system altogether. There is no county match required for this award.

Respectfully,

H. Lynn Hadnot, Director
Collin County Juvenile Services
