 (Contractor)

ACCEPTANCE OF THIS CONTRACT: The above prices, specifications, and conditions are satisfactory to the purchaser and are hereby accepted with signature below. Fax, Email, or verbal conformation. Purchaser authorizes Advanced Water Well Technologies ("AWWT") and its subcontractors to do the work as specified. All work is to be completed as specified and according to standard industry practices. Any additional work or materials required due to unknown well conditions will result in an extra charge over and above the estimate. Our workers are fully covered by Workman's Compensation Insurance. We warranty our craftsmanship against craftsmanship defects for one year; defects to be determined on a case by case basis by AWWT. There is a manufacturers warranty on equipment for one year. The manufacturer determines if the equipment will be warrantied or not on a case by case basis. Payment is due upon receipt of invoice and balances past due after 30 days are subject to 15% interest per annum.
