## INDEPENDENT AUDITOR'S REPORT

To the Juvenile Board and  
Director of Juvenile Probation Department  
Collin County, Texas

### Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the financial statements of the Texas Juvenile Justice Department Grant Funds of Collin County Juvenile Probation Department (Department), as of and for the year ended August 31, 2023, the statement of revenues, expenditures and changes in fund balances-budget and actual-regulatory basis for the year ended August 31, 2023, and the related notes to the financial statements, which collectively comprise the Department's basic financial statements as listed in the table of contents.

#### *Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the accompanying financial statements present fairly, in all material respects, the revenue earned and expenditures incurred compared to budgeted revenues and expenditures of the Department's Texas Juvenile Justice Department Grant Funds, as of August 31, 2023, for the year then ended in accordance with the financial reporting provisions of the Texas Juvenile Justice Department (TJJD) as described in Note 1.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Department and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Emphasis of Matter – Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the basis of accounting practices prescribed or permitted by the Texas Juvenile Justice Department (TJJD), which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions on the Department's Regulatory Basis of Accounting are not modified with respect to this matter.

## ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting practices prescribed or permitted by TJJJD to demonstrate compliance with TJJJD's regulatory basis of accounting. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Department's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## ***Auditor's Responsibility for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Department's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Department's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 27, 2024, on our consideration of the Department's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Department's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Department's internal control over financial reporting and compliance.

**Restriction on Use**

This report is intended solely for the information and use of the management of Collin County Juvenile Probation Department (Department), others within the organization, and the Texas Juvenile Justice Department, and is not intended to be and should not be used by anyone other than these specified parties.

TEXAS JUVENILE JUSTICE DEPARTMENT GRANT FUNDS**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED AUGUST 31, 2023

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Entity**

The Texas Juvenile Justice Department Grant Funds of Collin County (the "Department") were established to account for juvenile probation services funded by the Texas Juvenile Justice Department in Collin County, Texas.

The Funds provide separate accountability as required by TJJD under the State Financial Assistance Contract. The Funds are used to account for each separate program, matching funds and all related expenditures incurred.

**B. Basis of Accounting**

The financial statements were prepared in conformity with the accounting practices prescribed by TJJD, which prescribes policies and procedures for county probation departments and which constitute a comprehensive basis of accounting other than generally accepted accounting principles. These accounting practices include the following:

- The financial statements are reported using the accrual basis of accounting. Revenues are recorded when all eligibility requirements have been met and expenditures are recorded when incurred.
- The accompanying financial statements do not represent financial statements prepared in accordance with provisions for governmental funds as prescribed by the Governmental Accounting Standards Board.
- The accompanying financial statements are prepared in a format to facilitate uniform financial reporting by county probation departments.

**2. RECONCILIATION OF INTEREST EARNED**

The Department did not have idle funds, therefore interest was not earned and a reconciliation is not considered necessary. The County had no idle funds as all cash received from the State merely compensated the Department for expenditures that were already incurred and paid.

**3. OPERATING COSTS FOR A SECURE JUVENILE FACILITY OPERATED BY COLLIN COUNTY**

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Juvenile Board and  
Director of Juvenile Probation Department  
Collin County, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Texas Juvenile Justice Department Grant Funds of Collin County Juvenile Probation (Department) as of and for the year ended August 31, 2023, and the related notes to the financial statements, which collectively comprise the Department’s basic financial statements, and have issued our report thereon dated February 27, 2024.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Department’s internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Department’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Department’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Department's financial statements are free of material misstatement, we performed tests of its compliance with certain provision of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### **Restriction on Use**

This report is intended solely for the information and use of the Collin County Juvenile Probation Department, others within the organization, and the Texas Juvenile Justice Department and is not intended to be and should not be used by anyone other than these specified parties.
