Re: Collin County Animal Services – MuttNation No-Cost Spay Neuter Grant

We respectfully request Commissioners Court's approval to accept a No-Cost Spay/Neuter Grant that would benefit the citizens of the unincorporated county.

Spay/Neuter is a proven method for reducing the intake of animals into animal shelters. In many instances, however, low-cost spay/neuter options are still cost prohibitive for lower income families. With the help of this Grant we would be able to get more animals spayed/neutered that otherwise may not have that opportunity.

Thank you for your consideration in this matter.
