1459 Bidders that were notified through Collin County eBid.

15 Bidders that viewed proposal information through Collin County eBid.

1 Bidders responded:

o Star Asset Security, LLC \$367,646.91

IFB 2024-066 is recommended to Star Asset Security, LLC, the sole bidder meeting specifications as determined by the Purchasing Department, Construction and Projects and MD Engineering, LP, LLP., the Engineer of record for the project.

Vendor feedback received on why they would not/did not submit a bid:

- Firetrol Protection Systems - They are not EST dealers so they are not able to program the panels or perform other high-level EST issues.
- Convergint - If rewire needed, the smoke-heat detection circuits class A would require the installation of conduit and they would need to engage an electrical subcontractor for that work.
- SOG-I - Don't think it is a good fit for their business.
