

AGREEMENT NO. 2024-208  
COLLIN COUNTY  
PERSONAL SERVICES AGREEMENT

THIS AGREEMENT is entered into by and between Zuzi Gomez-Chang, herein also referred to as Provider, and Collin County, Texas.

STATEMENT OF WORK: The Provider shall perform the following duties and services as described in the Collin County Veterans Accessing Lifelong Opportunities for Rehabilitation (VALOR) program, in the capacity of Mental Health Clinician, approved by the court at the request of the County to evaluate and monitor the mental health and treatment progress of individuals as related to their participation in the program. Provider shall perform the services at the Community Corrections Facility, Courthouse, other county locations.

In providing services, the Provider shall conduct herself with the highest professional ethics in the performance of the service within the statute of the law.

The goal of the Collin County/VALOR program is to move Justice-involved veterans (JIV) out of the traditional criminal justice process and into appropriate, individualized rehabilitative alternatives that improve mental health and successfully lead to community reintegration and criminal case resolution. Once veterans have been screened, assessed, approved for participation, and transferred into this program, they promptly begin a treatment program that is specific to their needs. In addition to program team meetings, the program may involve drug and/or alcohol treatment, random drug testing, support group meetings, vocational or job counseling, educational classes, and community supervision. Many services are provided by outside agencies, and participants are referred as needed. While actual length varies based on participant progress, the 2-to-6 month program consists of 4 phases requiring frequent meetings with mental health and drug abuse clinicians, as well as Probation Department and Sheriff's Office personnel, during each phase.
