

**BOARD OF TRUSTEES OF THE
FRISCO INDEPENDENT SCHOOL DISTRICT**

Board Resolution to Disapprove Petition for Detachment & Annexation

WHEREAS, residents of the Preserves at Lone Star Ranch subdivision filed a petition seeking the detachment of certain property (the “affected territory”) from the Lewisville Independent School District (“Lewisville ISD”) and annexation of that property to the Frisco Independent School District (“Frisco ISD”), which is attached hereto as Exhibit A; and

WHEREAS, a hearing was properly noticed and conducted by the Board of Trustees of Frisco ISD on February 5, 2024; and

WHEREAS, the Board of Trustees of Frisco ISD (the “Board”) determined that petitioners have not met all requirements of Texas Education Code Section 13.051; and

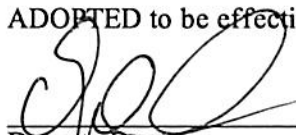

WHEREAS, the Board further determines that annexation of the territory would not be in the best interest of Frisco ISD due to negative economic effects anticipated to result from annexation, and that Petitioners failed to provide sufficient evidence to demonstrate social or educational effects of the proposed boundary change as it pertains to current and future school-aged residents of the affected territory; and

NOW, THEREFORE, the Board finds as follows:

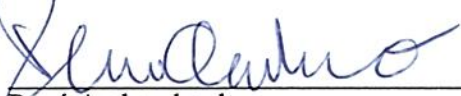

1. There is insufficient evidence to indicate that the educational interests of the current and future students residing in Frisco ISD and Lewisville ISD would be positively or negatively affected to any significant degree by the proposed detachment and annexation;
2. The positive social effects of the proposed boundary change are expected to be minimal;
3. The economic effects of the proposed boundary change are expected to be significant and negative for Frisco ISD and Lewisville ISD;
4. The Board hereby **disapproves** the Petition for Detachment and Annexation filed by residents of the affected territory;
5. The Board instructs the Administration of Frisco ISD to contact the Administration of Lewisville ISD to discuss district boundary lines; and
6. The Superintendent of Frisco ISD is authorized and directed to take any and all necessary action to carry out the terms of this Resolution and communicate this action to interested parties or entities, as required by state law.
