RE: FY2024 Inmate Health Budget Amendment

At the direction of the Budget Department, the FY2024 Inmate Health budget needs an amendment to add \$700,000.00 to the Infirmary Services account line, 0001-60040-000172-30-0000-626430. This amendment will allow for the payment of all invoices received for medical services provided to inmates from October 1, 2023 – September 30, 2024. The Infirmary Services account line is used to pay the Detention Center's medical vendor, WellPath, as well as for all medical services received by inmates outside of the Collin County Detention Facility.

I respectfully request that you approve this budget amendment.
