MEMO

Date: July 1, 2024
To: Commissioners Court
From: Tracy Homfeld, PE, CFM; Assistant Director of Engineering
Subject: Dallas Off-Road Bicycle Association (DORBA) event at Sister Grove Park on September 7, 2024

DORBA has initiated the permitting process with the Corp of Engineers since the trails are located on the Corp property. The event does not constitute a mass gathering, so no permitting by the county is required. The group will submit their certificate of insurance to the COE and will have EMS on site. County Engineering staff will notify our park caretaker and the Sheriff's office of the event as an early open and late close will occur.

ACTION:

Request permission to allow DORBA to hold their "Judgement Day" ride at Sister Grove Park on September 7, 2024.
