We should be able to delay changing the few street name signs to the week of August 5. I will write the work order to cover that timeline.

Just so you know, the contractor is planning to open the lanes of Wilmeth Rd from Lake Forest Dr to Hardin Blvd on August 5. Granted this is construction so the timeline might change some, but the goal was to have all of Wilmeth Rd open for school starting on Aug 8.

Thanks Tonya, those new address numbers are fine, 3100 & 3250 Wilmeth Rd ;-)

Robyn, Thuan,
Can you clarify the expected timeframe on "soon" for the new signage ?
Can it be planned for August 12 or during that week?

Thank you,

Ramona Luster

Hi Ramona,

Here are the new ranges that will be assigned to Wilmeth Road (formerly CR 943) between North Hardin and Taylor-Burk. Three addresses along this road will need to be changed, two in the county and one in the city. I've suggested proposed new addresses for the county locations but of course you guys have the final say! 😊

I believe new signage will be going up soon—Robyn and Thuan will have more info on that. Let us know if you need anything else.
