If during the life of the contract, the vendor's net prices to its customers for the same product(s) and/or services shall be reduced below the contracted price, it is understood and agreed that Collin County shall receive such price reduction.

2.6. Price Redetermination

Price Redetermination: The bidder is to submit a bid that will be fixed for six (6) months. A price re-determination may be considered by Collin County only at each of the 6-month intervals of the contract. At each 6-month interval of the contract, the Contractor may request a price redetermination in their bid, dependent upon fluctuations in the Producer Price Index (PPI); Group: Nonmetallic mineral products; Item: Cut Stone and Stone Products, Series ID: WPU1395; as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. This request and documentation must be received at the office of the Purchasing Agent no later than thirty (30) days from the start of the next 6-month interval. To ensure timely delivery, certified mail is recommended. If the request is submitted and received within the required time frame, upon verification of documentation and approval by Purchasing, the adjustment will be submitted to Commissioners Court for approval. Contractor will be notified in writing upon approval.

- The first 6-month interval date will be 6-months from the commencement date of award. The 'base' month for determining adjustments will be the third (3rd) month prior to the start of each 6-month interval. The base month is fixed and will not be adjusted interval to interval. The adjustments will be based on the difference in the base month for each applicable renewal period and will become effective on the first day of the new 6-month interval if approved by County.
