Re: Order Amending 2018 Tax Note

In June of 2018 the County sold a one-year Tax Note to fund the Plano Sub-Courthouse improvements and renovations, JP/Constable Precinct 2 building, Elections Equipment/Technology and the expansion of the existing Medical Examiner building for a total of \$18.1 million. The tax note reached full maturity on August 15, 2019 and has been paid in full.

The existing Medical Examiner Building is no longer going to be expanded. The County is building a new Medical Examiner Facility. Due to this change, I am requesting the language on the order authorizing issuance of the tax note be amended from expansion of the existing building to construction of a new Medical Examiner facility.

The order authorizing the issues of the tax note for the Plano Sub-Courthouse included language for renovating and constructing County buildings for the Collin County Tax Office relocation. This project has been completed. I am requesting the language regarding the Plano Sub-Courthouse be amended to “renovating and constructing County buildings for the Collin County Sub Courthouse.” The funding will then be utilized for permanent improvement projects for the Plano 900 and 920 buildings.
