RE: Elections Cell Phones

Request Commissioners Court consideration and approval to acquire 22 new iPhone 14s and accessories to be utilized for the November 5, 2024 General & Special Elections. Additional cell phones are needed for Election workers due to the increased number of polling locations required under SB 924.

iPhone 14s are currently free and funding for the costs of accessories will be provided through the 1033 Contract Elections Fund account. The charge for continued line service will come through the IT Shared account.
